£999

Description

NEW FRAMED AWNING (DISPLAY MODEL)

The Ventura 250 is a lightweight awning, which is simple to assemble and easy to maintain. It is a spacious touring awning with a depth of 2.5 metres.

The Ventura 250 has large front windows with frosted foil in one side window for extra ventilation.

Features Include

- For full details of the specification of this awning please contact us or download a brochure from our [Downloads](#) page.

This awning is new but has been on display at our site.

The Ventura D250 is particularly easy for touring.

The material is a lightweight IsaLite fabric, which is also easy to keep clean thanks to its external coating.

Mosquito net window in one side with external zipped foil cover for extra ventilation.

Lightweight IXL fibreglass frame for touring.

Supplied as standard with: Screw-free FixOn II fittings, Luxor Grey curtains, draught skirt, standard wheel arch cover, awning and pole bag, peg bag.

Removable/fold-down panels: Front and side panels.

This is a discounted price on this new 2019 awning which has been on display with us in the past. Please ask to inspect it.
